Opportunities within the School

- The McCain Institute Policy Design Studio and Internship Program
  - Partnership that allows for students to intern in Washington DC for a semester while participating in specialized lectures and presentations.

- Capital Scholars Program
  - A summer study abroad opportunity that allows students to live and intern in Washington DC.

- Pi Sigma Alpha: The National Political Science Honor Society
  - The academic honor society for Political Science students with a focus on community service, academic success, and fostering interest in the field in other disciplines.

- SPGS Bachelor of Arts/Master of Arts in Political Science Program
  - A 4+1 competitive program that allows students to complete both their BA and MA in Political Science within 5 years.

- Junior Fellows Program
  - Upper division undergraduate program. Students are a Research or Teaching Assistant and earn upper division credits.

- Arizona Legislative Internship Program
  - Intern at Arizona State government agencies and receive a tuition waiver, credits, and a stipend.

- The State Department (Diplomat in Residence)
  - U.S. Ambassador who counsels students interested in interning or working in foreign affairs.

- Internships in Political Science and Global Studies
  - For more information on Global Studies, please contact Gisela Grant at gisela.grant@asu.edu. For Political Science, please contact Dr. Gina Woodall at gina.woodall@asu.edu

- Faculty Teaching Introductory Courses
  - Students in beginning courses are taught by full faculty, not grad students, promoting discussion and further interest in the topic.
